Dear Don,

Georgie sent these pictures taken while here. You asked about me & me & her as a couple for you to look at. As you see, my hair is very white. Some people like it. At least no one can know I had red hair and freckles. In my hand is an old Fashion - to prove this isn't a place without minor vices.

The picture of the house is because it is the house Sidney and I built in 1925. Bobbie was born in this house and this is where Ernest came to call. The front looks as if always has. At the back it has been enlarged.

People have taken good care of it - because it had good roots in the best of woods. Georgie took this picture the day we went to Elmhurst Beach. Grand Cyntia saw the inside of the house, but I didn't want to see it. I prefer the old memories.

All is well -

Jane
