Saturday —

My dear Don —

The inclosed may interest you so
I am sending it in with stamped envelope.

So many things bounce around
in my mind to write you about,
but I know I have written too much
already and need some discipline
and restraints along the compulsive
writing line.

Something new is in the formation
plans by me. The Presbyterians
Synod has another retirement home
in Jasperville — and I am going
up on Monday for three days to see it.

There are too many reasons for me to
tell them all — at least until I
know for certain whether it is a good

plan.

all is well with me. Sid comes
next Saturday for a few days -
probably because I have a birthday coming
up. As I remember - you are also a
Virgo. This is supposed to be a
good year for us.

In haste and with love to you
both -

Marge.
