Had the greatest trip you
could imagine - but I had
to come home 4 days early
because of illness. It turned
out to be bronchial pneumonia
so I needed good old Florida
and my excellent Dr. who's
office is just down the hall. The
month is behind me but I am
^{too} weak to write all I would like
to write about the good times.

Georgie's house is full of music and
art and good "vibes" - There were
16 at table for Thanksgiving -
including 6 of the 9 grand children.

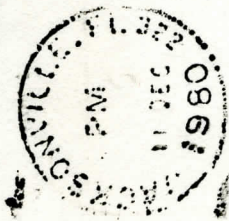

Best of Christmas wishes to
you both.

Love

Marge

Have a merry one!
