

Dear Dad & Ruth,

I am thinking it
has been a long time
since a Dad letter.

Things moved rapidly
in my life. Carol
phoned me to come to
be with Pudge when she
came from the hospital.

She had a set back & some
sort - and isn't over so
well as last year. So
I have given up all plan
for going to Petersburg.

Carol and I will drive to
Pittsburgh for Steve Scott's
wedding June 26th then
back her motel July 15th

By then I will be ready
for home.
Love
Marge.
