 PEBBLE BEACH, MONTEREY PENINSULA, CALIFORNIA
 "Golf Capital of the World"

This aerial view shows the Pebble Beach section of the World Famous 17 Mile Drive. Host to many Golf Tournaments such as the annual Bing Crosby Pro-Am and the Calif. State Amateur-Championship Tennis, Horse Shows, Dog Shows, Yacht races, etc. Favorite meeting place for local and national conventions large and small. In the distance can be seen the Del Monte Lodge with a beautiful panoramic view of Carmel Bay, Still Water Cove and the 18th hole of the Pebble Beach Golf Course.

This section of the State is interesting and wonderful at any time of the year, considered by many to be the loveliest, the best of California, truly a "Circle of Enchantment."

Dear Don,
 Please send
 me a card to tell
 me if you and Ruth
 are all right. I am
 worried about you.
 All is well here and
 I plan to stay until
 May.

Love

Marge
