

the picture on my wall
around my head your house

May 15th 1940

Dear Don -

Georgi wanted a copy of this snap
so I had one done for you too. It is my
favorite of all time - probably because I
had a baby on my lap. It was
quite a few years ago in front of
Main street. Since you have a
collection of Marge Bump - here she
is a grand mother.

Am home again from my jaunt
to the wedding in D. C. and a
week with the Muller Mains in
Cape May Point, N. J. I had
a good time but am so glad to
be home - I hope my
compulsions will let me stay.

Perhaps you are feeling the
same way about your home
base.

My love to you and Ruth -
and welcome home -

Marge
