Wed.

Dear Don -

Just a quick note to
tell you I will be on my
way to Michigan next
week - to see Pudge and
family and get away from

Florida's worst month -
September. Pudgy's son
has produced his first
grandchild, a girl named
Kathryn Allyce. Allyce is
his wife's name - so they
go in for "Ys"

If any of them want to
trip to Petroskey I will
go along - but won't
push for it.

All is well here with
the usual bridge and
swimming. Too hot for

only.

Love to your father -

Marge.

(I have one friend here
who calls me Bumpy.
I like it .)
