Dear Don & Ruth,

Thank you for your speedy
reply. As usual I don't know
for certain where the urge of
tomorrow will lead me.

Am interested in your new
venture. Among old books here
is a 1909 Boston Look Book.
The pictures and advertisements
are something. Would you be
interested in it? — I don't mean
to buy — but as a gift.
Yes — Northern Michigan is
something special. I feel the
old pull.

Love

Marg.
