Dear Ruth + Don,

I enjoyed your Christmas letter.

Please note my new address - no longer in Winter Park -
now - 116 Seabreeze Blvd - Apt. 607
Daytona Beach - Fla. 32018.

I am very content to be here - much more content than I would have been if I had tried retirement living. Sometimes what seems like frustration - produces unrest. I wasn't ready for that much ease.

Best wishes for all good things.

Love

Marge.
