

June 28th 1973 Thursday.

Dear Don & Ruth,

Thought you might
enjoy the enclosed letters.

In case you have forgotten
who Joy is - she is the
daughter of my dear friend
Joy Mae Fadyen who died
of cancer a few years ago.

This Joy is married to a
Navy Lt. J. She was with
U. S. foreign service and is
now on leave of absence. She
is a most unusual person -
beautiful - brains - musical
talents etc. etc. One guy
from India shot her and then
killed himself because she
wouldn't marry him. She
just barely survived.

Dear Don & Ruth,

Thought you might
enjoy the enclosed letters.

In case you have forgotten
who Joy is - she is the
daughter of my late friend
Joy Mae Fader who died
of cancer a few years ago.

This Joy is married to a
Navy Comdr. He was with
U. S. foreign service and is
now on leave of absence. She
is a most unusual person -
beautiful - brains - musical
talents etc. etc. One guy
from India shot her and then
killed himself because she
wouldn't marry him. She
just barely survived.

You and Ruth must look
them up when you return
to Naples.

I will leave Fla. July
17th. You leave Mary Point
N. J. and then on to Washington
and probably some time
in Petrusky.

At last I am feeling
well again.

Dearest Auntie Marge -

We are only missing you!
to make things just perfect!! I'm
so disappointed that you couldn't
make the trip with Georgie - but
I'm counting on your coming as
soon as you can - and when
you feel up to it. Georgie says
you've had a terrible time shaking
the flu - I'm so sorry! Just
hurry up and get well so you can
come. We now think that
we'll be here 3 more years -
although one never knows so please
don't wait too long. Georgie says
you love hot weather so even
Augusts would be good - But
anytime is good except January
- February. It's super from April
through November or December
although Nov & Dec are a little
cooler of course - still weather! over-

Georgie is of course just
great for our morale - she is
so enthusiastic about everything!
We shall have things to do to
the house - of course Ed got
his start with the Oriental rugs
from you! And Tim far from
fluent in Italian!

Please come - we'll meet
you anytime in Rome. Ed
wants you to see this place -
and of course - so do I!

Love from us both

Jay

Friday

Dearest M -

Here I am in Napoli! what a beautiful beautiful spot! You just can't imagine how lovely everything is. Ed & Jojo's villa is fabulous - hand painted tile floor, orientals, art treasures etc. etc. Ed has framed everything beautifully and arranged things beautifully. He has a flair for interior decorating, and everything is just so! All rooms are enormous. Their bathroom is the size of my bedroom at home! Outdoor terrace has millions of potted flowers, tomatoes etc. (Also Ed's hobby)

I was exhausted from train trip and time change but now am getting somewhat oriented. We will do the

museums etc. next week.

Water is blue blue blue - also the sky. Air is dry even though on the bay. I think it is one place where you would not mind the sea, m. For example, things hung out to dry take only minutes, ⁺ they smell nice and fresh - and are dry!

Joy speaks Italian fluently - she took a class in it. She rattles on all the time to everyone & in Italian - it is amazing. (Don St. John wouldn't believe it!)

Hope you got to North Carolina. Hope your mail will be forwarded.

Capri and Pompeii and Veruviv are within view. The bay is just heavenly with fishing boats & big ships from all countries. Love love love,
George
