

Saturday - April 12/80

My dear Don - and Ruth too,

Since you feel like a part  
of my family - I want to send you  
some recent pictures to look at  
and return. They will explain  
themselves. I don't have pictures of  
side children and grand children - for  
they went the way of things I tossed  
out. But some day I will have  
new ones. Sid has a son -  
married - <sup>who</sup> ~~and~~ has three children.

He is teaching and getting his  
masters to get into administration.

Daughter Lucinda is in college -

Cynthia looks so much like

Bobbie (Barbara) that at times it  
takes my breath. I remember that  
you hinted that Bobbie might be  
a Hemingway. But I had been  
married nearly three years when she

was born - which certainly made her  
legitimate. Also I had seen Ernest  
for five years - Mrs Hulwille once said  
she looked like a Hemingway - but I  
don't believe she knew what she was  
saying. Sidney Mair and my  
grandfather Bump - both had dark  
eyes and hair.

All is well here. I feel  
stronger as time passes. I  
think perhaps Marge Bump is  
evolving -

Love

Marge
